Wohoo Wohoo Wohoo Wohoo
Wohoo Wohoo Wohoo Wohoo

Once upon a time
I went to Jamaica
And I met this girl
She was from Colombia

Now she's going away
I don't know what to say
Can I see her again?
I didn't catch her name

She's at the party
She's at the party
And I want to see her dancing
I want to kiss her
I want to touch her
And I want to see her dancing

She's at the party
She's at the party
And I want to see her dancing
I want to kiss her
I want to touch her
And I want to see her dancing

Wohoo Wohoo Wohoo Wohoo
Wohoo Wohoo Wohoo Wohoo

From Jamaica

Can I give it to yourself and makes you feel it?
Coming from Jamaica it's a remix
Colombian girl is making me mess
The magic was shared with Tony Arles
Her lips come and feeling my bottle
Shaking up the world witch a fanta chicago
Sad though you want to be my girl all the time
I wonder she's going to be mine
