You call it friendship a brotherhood in stone  
You stab me in the back now a brotherhood is done  
With the knife I give you dig it deeper in my side  
Your calling out my name but you're running from the  
fight  
You thinks it's funny you think it's right  
Eviction wins again, blacklisted bad bad man  
This is my reality my life that I live  
With thugs and punks and the drunks and the skins

30th and adams the kadan it's been  
A long time since I've been clean  
Shut mouth and shut your face  
Cause you got nothing your set in stone and set in your  
ways  
Try to take my food and take my money  
A lowsy excuse you go run with leave out to die  
It's what I'm fucking left with a lowsy excuse I'm left  
with
