They're teaching me to stay calm, this is a fuckin make  
up  
49% Human

Stuck here in the underground still in a shadow zone  
Nothing clear to reject my fears, i'm a monster of  
flesh and bone

Know can't you fight, and know can't you kill something  
that you can't see

Darkness is my only skin, cause I settle to disappear  
Far away to reject my pain, I keep however my troubles  
close to me

Know can't you fight, and know can't you kill something  
that you can't see

They're teaching me to stay calm, this is a fuckin make  
up  
49% Human

Hatred in my fucking veins, feeding a new mistake  
I refuse the truth and I pay my dues  
While they murder, kill and rape

Stuck here forever, cause I'm naked and caged by the  
hands of a fool

Here comes the time of the 49, will pay for a closer  
view

Know can't you fight, and know can't you kill something  
that you can't see

Be what you made

They're teaching me to stay calm, this is a fuckin make  
up  
49% Human

"An incredible, lot of people has come today to stare  
at the ultimate entertainment for all the masses, an  
excellent toy for all the family"

Create me, accept me, destroy me, stay away from me

They're teaching me to stay calm, this is a fuckin make  
up  
49% Human

It's time  
Hiding myself is so easy, like running down the stairs  
But the world cannot keep my secret, I've got to climb  
and rise

I need my hope, I need my strenght, my 51% Human
