Hey lil' lady - come over here
Ya want another gin
And then maybe another beer
Then deep under your skin

I wanna rock hard
Babe let me in
You gonna go far
You are gonna win

So hey lil' baby what do ya think
Could you go out with me
And then maybe another thing, babe
Before I set you free

'Cause I'm a pop star
And I'm a fake
I wanna rock hard

Boogie woogie basketcase

Black Boogie Death Rock n Roll
Say Black Boogie Death Rock n Roll
Black Boogie Death Rock n Roll
Black Boogie Death Rock n Roll

Black Boogie Death Rock n Roll
Black Boogie Death Rock n Roll
Black Boogie Death Rock n Roll
Black Boogie Death Rock n Roll

Black Boogie
Death Rock n Roll
Black Boogie
Death Rock n Rol
