Somebody lied to me
It just can be, you can't be gone forever
Somebody got it wrong
You were gonna love me all my life
Weren't we good together?
Now I'm on my own
And I don't think I'll ever learn to
Live one day alone

[Chorus]

Woh, I'm never gonna say goodbye
Say goodbye
It's something I can't bring myself to do
Coz as long as I don't say goodbye
Darlin' I know
Part of me will always be with you

What am I gonna do
Havin' you was all I ever wanted
Really wanted
Where am I gonna go
To feel the way I felt inside your arms?
Still my life is better
Loving you as I do
Thanks for being with me
Darlin' thanks for being you

[Chorus]

Woh, I'm never gonna say goodbye
Say goodbye
It's something I can't bring myself to do
Coz as long as I don't say goodbye
Darlin' I know
Part of me will always be with you

[Coda]

Part of me will always be with you...
