You flew so high  
But you're coming down  
The snow falls hard  
In tinseltown  
Now there is a ghost  
Where you once stood  
I know you'd leave this  
If you only could

This is home  
This is home

Just tell me that it's true  
I want you by my side  
Girl I'm doing it for you  
You've got to open your eyes  
I'm gonna take you higher(higher higher higher)  
Than a bird can fly  
Girl I'm so in love with you  
Don't even think that it is true

You're living underground  
With your despair  
I'll building you a ladder  
To the clear blue air  
This feeling invites you  
Where ever you may roam  
I'm right there beside you  
Wherever you may go

Just tell me that it's true  
I want you by my side  
Girl I'm doing it for you  
I'm gonna open your eyes  
I'm gonna take you higher(higher higher higher)  
Than a bird can fly  
Girl I'm so in love with you  
Don't think that it is true

This is home  
This is home

Just tell me that it's true  
I want you by my side  
Girl I'm doing it for you  
I'm gonna open your eyes  
I'm gonna take you higher(higher higher higher)  
Than a bird can fly  
Girl I'm so in love with you  
Don't even think that it is true
