Early in the morning  
When my mind's so far away  
I begin to ask questions  
Like I do everyday  
Like somebody's got to do it  
Does it have to be me  
If nobody really cares  
Is it still a mystery  
Driving under morning sun  
As busy as I am  
Through all the things I try to do  
And all the things I can  
Sneaking in under radar  
I'm driving into you  
I'll do all of the things you want  
I'll do all of the things you do  
Cause sometimes to get by  
I believe in the lie
