This happened when I was just seven years old,  
Or was it six I'm not sure if I remember,  
I don't know,

She's got the heavy hand that scares me even now,

For the risk I take,  
My balls about to break,  
I said for the risk I take,  
My balls bout to break,

Oh, the heavy hand it scares me even now,  
That heavy hand it scares me even now,  
The heavy hand it scares me even now,

Someone turned up empty-handed,  
I asked them why they were so empty headed,  
It was right then,

I've got the heavy hand it scares me even now,  
The heavy hand it scares me even now,

So I was taken from the party,  
There's nothing that I can hardly hear,  
They're laughing from the show,  
That I put on in front of everyone,

That heavy hand it scares me even now,  
The heavy hand it scares me even now,  
The heavy hand it scares me even now,  
And everbodies laughing at me now,

Huh!

I was adopted,  
I was adopted,  
I was adopted,  
I was adopted,

Alone, I am wet,  
From my cheeks down to my chest,  
I didn't know wrong from right,

And I didn't know that I... I just remembered,

I was six years old,  
I wasn't seven I was six years old,  
This happened when I was just six years old,  
I just remembered I was six years old,  
This happened when I was just six years old,  
I wasn't seven I was six years old,  
This happened when I was just six years old,  
I just remembered I was six years old,  
This happened when I was just six years old,  
I wasn't seven I was six years old,  
This happened when I was just six years old,  
I wasn't seven I was six years old,

Oh Tiffany I'm Sorry!  
Oh Tiffany I'm Sorry!  
Oh Tiffany I'm Sorry!  
Oh Tiffany I'm Sorry!

Huh!
