You be a good girl
Youâ€™ll get everything you need
Iâ€™ll give you house white
Iâ€™ll provide youâ€™ll see
Children will cheer you
Gold to touch your feet
And only laughter
Itâ€™s the kind that youâ€™ll agree

Youâ€™ll see
Youâ€™ll see

Youâ€™ll see out of this black hole
From sunny days to green trees
And when you grow up youâ€™ll be beautiful
Youâ€™ll see

No more diseased pets
Or dumpster diving no more
Youâ€™ll go home to
Milk-chocolate lined floors
And weâ€™ll all be there
Dining in style
In your house white
Just hold on for a while

Born from the jet black ash
Risen from the dead
Youâ€™ll be sleeping on clouds
And the moon to rest your head
When you grow up youâ€™ll be beautiful
Youâ€™ll see
