Oh, won't you come
Oh, won't you come with me
Down to memory lane
Oh, won't you come with me
And live your life again
Relive those memories
The ones you can't forget
All of those crazy times
That haven't been beat yet

We got to carry on
But don't forget what's gone
Kerb crawling days in Brighton
You know they still go on

The times we wrecked the trains
The times we pulled the chains
The times we walked the street
You know so out of our brains

Sometimes I wander back

To the streets I used to live
And I stand and look
And feel my past around me
A deserted house a broken fence
A broken home a bloody mess
And I try and put it back into reality

I'm living
Down
Memory
I'm living down memory lane

Come with me
Why don't you come with me
Why don't you come with me
Why don't you come with me

Why don't you come with me
Why don't you come with me
Why don't you come with me

Why don't you come with me
