It seems you fit right in  
You seamlessly adapt  
With all the cool new friends  
I'm not sure I have met

So I'll sit back and watch  
The phone, await your call  
You broke the news but you  
Can never break my fall

It's too late I've tried all my best defense  
You've made up your mind  
And I can't win  
Just forget, I'll forget the year we spent  
And I guess that we'll keep our distance

It's been raining back  
At home all this year  
Well I prefer the western coast  
The sky is clear  
And someone's waiting for me there  
I guess that's wrong  
But it's been hard to trust ourselves  
When we're apart  
Apart, apart

It's too late I've tried all my best defense  
You've made up your mind  
And I can't win  
Just forget, I'll forget the year we spent  
And I guess that we'll keep our distance

Was it my fault you got bored  
Sometimes I try to hard, I know  
But my intentions were the best  
Just try and love, forget the rest
