CHORUS:

All of you, is more than enough for, all of me,
For every thirst and every need,
You satisfy me, with your love,
And all I have of you is more than enough.

V1:

You're my supply, my breath of life, still more
awesome than I know,
You're my reward, worth living for, still more
awesome than I know.

And all of you, is more than enough for all of me,
For every thirst and every need,
You satisfy me, with your love,
And all I have of you is more than enough.

V2:

You're my sacrifice of greatest price, still more
awesome than I know,
You're my coming king, you are everything, still more
awesome than I know,

And all of you, is more than enough for, all of me,
For every thirst and every need,
You satisfy me, with your love,
And all I have of you is more than enough.

BRIDGE:

More than all I want, more than all I need,
Yea, You are more than enough for me.
More than all I know, more than all I can see
Yea, You are more than enough for me.
