You are the Lord  
The famous One, famous One  
Great is Your name in all the Earth  
The Heavens declare You're  
glorious, glorious.  
Great is Your fame beyond the Earth  
(\*repeat\*)

And for all You've done and yet to do  
With every breath I'm praising You  
Desire of nations and every heart  
You alone are God (2X)

You are the Lord  
The famous One, famous One  
Great is Your name in all the Earth  
The Heavens declare You're  
glorious, glorious.  
Great is Your fame beyond the Earth

The morning star is shining through  
And every eye is watching You  
Revealed by nature and miracles  
You are beautiful (2X)  
(\*repeat\*)

You are the Lord  
The famous One, famous One  
Great is Your name in all the Earth  
The Heavens declare You're  
glorious, glorious.  
Great is Your fame beyond the Earth  
(\*repeat\*)
