"In Love With You"

Have you ever fell in love with somebody that
you didnt expect.
you were a friend of mine
now im deep in thought.
in contemplations.
never used to have awkward conversations.

im speeding fast
gotta take a breath
should i tell you?
or should i keep it to myself?
ph Why oh why?
am i feeling this way?
i dont want to have to see you go away.

excuse me miss
can we talk for a minute
i got a couple things on my mind
kinda hard to say
so dont walk away
try to understand when im finished
we've been cool we've been friends
always been there for me through thick and thin.
i guess what im trying to say to you,
is baby im in love with you

Thanks to Clarissa
