She's my sunshine in the rain
My Tylenol when I'm in pain yeah
Let me tell you what she means to me,
Like a tall glass of lemonade
When it's burnin' hot on summer days
She's exactly what I need

[Chorus]

She's soothing like,
The ocean rushing on the sand
She takes care of me baby
And she helps me be a better man
She's so beautiful,
Sometimes I stop to close my eyes
She's exactly what I need

(Verse two)

She's my smile when I'm feelin' blue
She's my good night sleep
When the day is through yeah
Let me tell you what she means to me
(Yeah, she's kinda like this)
Kinda like the feelin' after your first kiss
Except that Everyday she makes me feel like this
Coz she's exactly what I need
Oh yeah, oh yeah

[Chorus] X3

She's soothing like,
The ocean rushing on the sand
She takes care of me baby
And she helps me be a better man
She's so beautiful,
Sometimes I stop to close my eyes
She's exactly what I need
