I wrote the books  
I made the rules  
Sang the songs  
About love, or lack there of  
Paint a picture  
In your imagination  
Made ya feel the way you do  
But lately I've been so uninspired  
Past and future I'm so tired of writing your song  
Kept away from the now but now she's here  
The feelings loud and clear  
I think I'm in love

Chorus  
Oh Vienna, Oh Vienna  
Why you have to be so far away  
Why you have to make me feel this way  
It's been so hard on me  
Here in Vienna  
Can we make it work or leave it be?  
Never thought that I'd find love  
In Vienna

See I've never been a fan of long distance relationships  
Mainly cuz some people say it just won't work out  
But baby let's break the myth, proving that we're strong  
enough  
Cuz this just can't be summer love,  
See I've had enough  
Of playin the same ol game  
Nothing ever seems to change  
But with you I feel something brand new  
Can we take a chance on this  
Or just cherish the days that we have left  
What do we do? baby What do we do?

Chorus

Tell me would you take a chance with me  
A chance on love... see I fell in love  
I fell in love  
In Vienna...
