Send us with fire to go love the world  
Send us with fire to go love the world  
Send us with fire to go love the world  
Send us with fire to go love the world

Lay down all riches for the pearl of great cost  
Count it as nothing for the sake of the cross  
Pour out an offering of our lives for the lost  
Send us out, You're our greatest desire, Jesus

You're our greatest desire, Jesus  
Your name is our greatest song  
You're our greatest desire, Jesus  
Your name is our greatest song

So, send us with fire to go love the world  
Send us with fire to go love the world  
Send us with fire to go love the world  
Send us with fire to go love the world

Channel our passions  
Channel our passions into pleasing Your heart  
Come consecrate us, come and set us apart  
You're the hope of the nations, we lift high the cross  
Send us out

You're our greatest desire, Jesus  
Your name is our greatest song  
You're our greatest desire, Jesus  
Your name is our greatest song

You're our greatest desire, Jesus  
Your name is our greatest song  
You're our greatest desire, Jesus  
Your name is our greatest song

So, send us with fire to go love the world  
Send us with fire to go love the world  
Send us with fire to go love the world  
Send us with fire to go love the world

Oh Lords, You're our greatest desire

You're our greatest desire, Jesus  
Your name is our greatest song  
You're our greatest desire, Jesus  
Your name is our greatest song

You're our greatest desire, Jesus  
Your name is our greatest song  
You're our greatest desire, Jesus  
Your name is our greatest song

So, send us with fire to go love the world  
Send us with fire to go love the world  
Send us with fire to go love the world  
Send us with fire to go love the world
