[Verse 1:]

Joy, joy, unspeakable joy
Hope like never before
You came for us
You are our freedom
Love, love, unshakeable love
We shall overcome, we will never give up
We lift a shout, we lift a shout
Everyone singing

[Chorus:]

Come on, come on now, we've got a new song
Come on, come on now, a song of liberty
Let the world hear heaven's melody
This is the shout of the hearts You've set free

[Verse 2:]

True, true, we know it's true
We stand now, risen with You
You lifted us
You are our freedom
Strong, strong, whatever may come
You have already won
We lift a shout, we lift a shout
Everyone singing

[Bridge:]

And we'll dance, dance
Dance in Your freedom
Oh, Your glorious freedom
Forevermore, forevermore
