Sometimes every one of us fears
Like we'll never be healed
Sometimes
Sometimes every one of us aches
Like we'll never be saved
Sometimes

When we've given up
Let your healing come
When theres nothing left
Let your healing come
Til were risin up
Let your healin come
Where You go we will follow
Where You go we will follow

It's Your love that we adore
It's like a sea without a shore
We're lost in You, Were lost in You
It's Your love that we adore
It's like a sea without a shore
We're lost in You, Were lost in You
Sometimes

Sometimes it's like we never loved home
For all the love we know
Sometimes like in a smile of a song
When you feel it come
Then that feelings gone
It flies

When we've given up
Let your healing come
When theres nothing left
Let your healing come
Til were risin up
Let your healin come
Where You go we will follow
Where You go we will follow

It's your love that we adore

It's like a sea without a shore
We're lost in You, Were lost in You
(3x)

Its your love we adore
Its like a sea without a shore
Don't be afraid, Don't be afraid

Just set yourself and risk the oceans
Show me grace
Let's risk the ocean
Show me grace
Let's risk the ocean
Show me grace
Let's risk the ocean
Show me grace

Where you go we will follow
I'm on my knees
Where you go we will follow
Oh God send me
Where you go we will follow
I'm on my knees
Where you go we will follow
Oh God send me

It's your love that we adore
It's like a sea without a shore
We're lost in You, Were lost in You
It's your love that we adore
It's like a sea without a shore
We're lost in You, Were lost in You

Where you go we will follow

Where you go we will follow
I'm on my knees
Where you go we will follow
Oh God send me
