Lead Worshipper: David Crowder

#### VERSE 1

You should see the stars tonight  
How they shimmer shine so bright  
Against the black they look so white  
Coming down from such a height  
To reach me now, You reach me now

#### VERSE 2

You should see the moon in flight  
Cutting 'cross the misty night  
Softly dancing in sunshine  
Reflections of its light  
Reach me now, You reach me now

#### CHORUS

And how could such a thing  
Shine its light on me  
And make everything  
Beautiful again

#### VERSE 3:

You should feel the sun in spring  
Coming out after a rain  
Suddenly all is green  
Sunshine on everything  
I can feel it now, I feel You now

#### VERSE 4:

You should hear the angels sing  
All gathered 'round their King  
More beautiful than you could dream  
I've been quietly listening  
You can hear them now, I hear them now, oh yeah

#### CHORUS 2:

And how could such a King  
Shine His light on me  
And make everything  
Beautiful again

BRIDGE:

I want to shine, I want to be light  
I want to tell You it'll be alright  
And I want to shine, and I want to fly  
Just tell You now, it'll be alright

It'll be alright, it'll be alright

'Cause I've got nothing of my own to give to You  
But this light that shines on me, shines on You  
And makes everything beautiful again

It'll be alright, it'll be alright
