Yâ'all niggas ain't bout that action
My team, we the main attraction
Got your broad and a roofie, we smashing
That's lights, cameras, action

Yâ'all niggas ain't bout that action
Take a look at this whip, Iâ'm smashing
Big chain, oh no, Iâ'm flashing
That's lights, cameras, action

LA niggas gonna talk that shit
Djs gonna break this shit
HT and his motherfucker right now
Not get your ass laid out like â...
Bank back but if feel like Iâ've never left
Everything's still the same like Iâ've never left
New train, Capone got me papered out
You wanna play big bank nigga, lay it out
Hood tie who I sign with, nigga
Down the lane, those my niggas
Blue D, those my niggas
Off top, they fuck with a nigga like
Old Keysha, hide to the daylight
Bangloose, bitch get my name right
Some thought that I couldn't make a comeback
Yeah right, Iâ'm here nigga, run now

Yâ'all niggas ain't bout that action
My team, we the main attraction
Got your broad and a roofie, we smashing
That's lights, cameras, action

Yâ'all niggas ain't bout that action
Take a look at this whip, Iâ'm smashing
Big chain, oh no, Iâ'm flashing
That's lights, cameras, action

Look at us, look at us
Look at us, look at us
Look at us, look at us
Look at us, look at us
Look at us, look at us

Look at us, look at us
Look at us, look at us

LA niggas gonna talk that shit
Djs gonna break this shit
HT and his motherfucker right now

We here and my squad gonna run shit
Zero tolerance enough for a dumb bitch
Unless the bitch got her ass and her breasts out
Ready to fuck, thatÅ's what IÅ'm talking about
Look it here, got bitches like a motherfucker
Grown man eat that pussy like a motherfucker
That bitch got ass like a motherfucker
Good tight got a mini like a motherfucker
YÅ'all niggas ainÅ't about that life
Make my girlfriend kiss my wife
Who said that I couldnÅ't make a comeback?
Yeah right, IÅ'm here, nigga, run now

YÅ'all niggas ainÅ't bout that action
My team, we the main attraction
Got your broad and a roofie, we smashing
ThatÅ's lights, cameras, action

YÅ'all niggas ainÅ't bout that action
Take a look at this whip, IÅ'm smashing
Big chain, oh no, IÅ'm flashing
ThatÅ's lights, cameras, action

Look at us, look at us
Look at us, look at us
Look at us, look at us
Look at us, look at us
Look at us, look at us
Look at us, look at us
Look at us, look at us
Look at us, look at us

YÅ'all niggas ainÅ't bout that action
My team, we the main attraction
Got your broad and a roofie, we smashing
ThatÅ's lights, cameras, action
