

Passion Pit "The Reeling"

Visit "[The Reeling](#)" on MotoLyrics.com

We dug these holes we crawled into
Now they're my home
Now here I cannot feel the wind
Can't feel the rain (bow)?
And I believe in gentle harmony
How I loathe all this obscenity
Is this the way my life has got to be
By a single opportunity

Look at me, oh look at me
Is this the way I've always been
Oh no, oh no
Anekatips
Now I'm dreaming somebody
Would simply come and kidnap me
Oh no, oh no
Everyday I lie awake and pray to God today's the day
Oh no, oh no
Here I am, and here I am, when will someone
understand
Oh no, oh no

And all at once I feel this
Oh how it clings to me (clings to me)
It reels and calls me towards it
Confounding destiny (destiny)
And I can feel the magnets pinch my hands
The more I run the more I am convinced
A girl who loves is like a precious glimpse
Just like we settle in the foggy mist

Look at me, oh look at me
Is this the way I've always been
Oh no, oh no
Now I'm dreaming somebody would simply
Come and kidnap me
Oh no, oh no
Everyday I lie awake and pray to God
Today's the day
Oh no, oh no
Here I am, here I am, when will someone understand
Oh no, oh no

Look at me, oh look at me
Is this the way I've always been
Oh no, oh no
Now I'm dreaming somebody would simply
Come and kidnap me
Oh no, oh no
Everyday I lie awake and pray to God
Today's the day
Oh no, oh no
Here I am, here I am, when will someone understand
Oh no, oh no
