I'm looking above, clouds turning to smoke  
It's a joke, everytime I breathe, I'm about to choke  
I can't see what's in front of me, indeed  
The word insanity is hitting my soul with ease  
She's gone, cash and me don't get along  
There was something wrong, every day I sing a sad  
song  
Please oh please, I need a new set of keys  
I crash through a world so I can be somebody!

I gotta get my groove on  
(Come on, come on, and come along)  
I gotta get my groove on  
(Come on, come on, and come along)  
I gotta get my groove on  
(Come on, come on, and come along)

I wanna get a leg up but I'm swimming round in  
quicksand  
Trying to get paid but I end up in a welfare line again  
I'm looking for a honey but they won't give me the time  
I'm looking for a break but I know I'll never getting mine  
I wanna rock Armani and Versace  
Instead I got too itchy and too patchy  
Nobody better push me because I'm way close to the  
edge

I'm trying but it feels like I'm about to lose my head

Gotta get my groove on(Gotta get my groove on)  
Gotta get my groove on(Gotta get my groove on)  
Gotta get my groove on(Gotta get my groove on)  
Gotta get my groove on(Gotta get my groove on)

[Instrumental]

If another person says I got another case of the  
Mondays  
I swear I'm gonna lose it now I'm gonna fly into a rage  
I'm gonna make a change make no mistake about it  
If you wanna bring the pain just wake up and shout it  
out

(Distorted - x2)  
Tears are running down  
Want to scream and shout  
Begging 'I want out'  
I ain't feeling proud

Tears are running down  
Want to scream and shout  
Begging 'I want out'  
Are you feeling proud?

(Repeat 1st chorus x4)  
(Repeat 2nd chorus x8)

Got to get it on.
