24 hours a day
24 hours a day
Hey, he, hey, hey...

Hey baby I'll give to you
All the time I can
'Cause I want you to be my full time lovin' man
So I'll be by your side
For my whole life through
And till the end of time
I'll do what you want me to do

*24 hours a day
No matter what time it is
I can't stay away from loving you
24 hours a day
No matter what time it is
I can't stay away*
No, no, no, no

I'll love you for 60 minutes
Through each and every hour
And seven days a week
With your loving power
And don't mind being with you
52 weeks a year
And if it's summer or winter baby
I'll be right here, right here, right here

*~*Repeat
(All night and day, can't stay away...)

24 hours a day (I love ya)
24 hours a day (I love ya)... (repeat)

As long as I'm with you honey
I don't care how much time goes by
Long as I can chase those clouds right out of your sky
If I've nothing else to offer
I can always give you time
And I'll never need anymore, that you know you're mine

24 hours a day
No matter what time it is
I can't stay away from loving you
24 hours a day... (etc)
