What are the chances, that we'd be here today?  
Different girls from different worlds  
Tryin' to find our own way  
Now we're the perfect team, sharin' the same dream...

All for one who knew,  
Together we'd know what to do?  
Strong hearts, strong minds  
Fighting for what's right every time  
United... decided, we'll never be divided  
All for one... one for all

Don't try to stop us, or keep us down and out  
The power of four forevermore  
And now there is no doubt  
Answering the call, breaking down the wall

All for one it's true,  
Together we know what to do  
Strong hearts, strong minds  
Fighting for what's right every time  
United... decided, we'll never be divided  
All for one, one for all

We may look beautiful  
We may be dutiful  
But don't be fooled of our finesse  
We're here to save the day  
Come on, on grade, touche  
We're no damsels in distress  
Don't mess with the dress

All for one you too,  
Together we know what to do  
Strong hearts, strong minds  
Fighting for what's right every time  
United... decided, we'll never be divided  
All for one, one for all

All for one it's true,  
Together we know what to do  
Strong hearts, strong minds

Fighting for what's right every time  
United... decided, we'll never be divided  
All for one, one for all

All for one and one for all  
All for one, one for all x2
