I will follow You
I will follow You
No turning back
No turning back
No turning back
No turning back

This is my heart cry
Though none go with me
The cross before me
The world behind me
[x2]

I will follow You
I will follow You
No turning back
No turning back
No turning back
No turning back

This is my anthem
My life for Your fame
My every move bring
Glory to Your name
[x2]

I will follow You
I will follow You
No turning back
No turning back
No turning back
No turning back

The cross before me
The world behind me
I will follow
I will follow
[x4]

No turning back
No turning back

No turning back
No turning back
[x2]
