When we sing, hear our songs, to You  
When we dance, feel us move, to You  
When we laugh, fill our smiles, with You

When we lift our voices, louder still  
Can You hear us? Can You feel?

We love You, Lord  
We love You, we love You  
Oh, we love You, Lord  
We love You, we love You, yeah

When we sing, loud, hear our songs, to You  
When we dance, round, feel us move, to You  
When we laugh, aloud, fill our smiles, with You

When we lift our voices, louder still  
Can You hear us? Can You feel?

We love You, Lord  
We love You, we love You  
Oh, we love You, Lord  
We love You, we love You

Oh, we love You, Lord  
We love You, we love You, ooh

And our love is big, our love is loud  
Fill this place with this love now  
And our love is big, our love is loud  
Fill this place with this love now

And our love is big, our love is loud  
Fill this place with this love now  
And our love is big, our love is loud  
Fill this place with this love now

We love You, Lord  
We love You, we love You  
We love You, Lord  
We love You, we love You, oh yeah

And we love You, Lord  
We love You, we love You  
Oh, we love You, Lord  
We love You, we love You

Let's lift our voices louder still  
Our God is near, our God is here  
Let's lift our voices louder still  
Our God is near, our God is here

Oh, lift your voices louder still  
Our God is near, our God is here  
Oh, lift your voices louder still  
Our God is near, our God is here

We love You, Lord  
We love You, we love You  
Oh yeah, yeah yeah  
We love You, Lord  
We love You, we love You, oh yeah
