And my hope is built on nothing less
Than Jesus' blood and righteousness
And I dare not trust the sweetest frame
But wholly lean on Jesus' name

On Christ the solid rock I stand
All other ground is sinking sand
And all other ground is sinking sand

When darkness seems to hide His face
I rest on His unchanging grace
In every high and stormy gale
My anchor holds within the veil

On Christ the solid rock I stand
All other ground is sinking sand
And all other ground is sinking sand, yeah

His oath, His covenant, His blood
Support me in the whelming flood
When all around my soul gives way
He then is all my hope and stay

On Christ the solid rock I stand
All other ground is sinking sand
And all other ground is sinking sand, yeah

When He shall come with trumpet sound
Oh, may I then in Him be found
Dressed in His righteousness alone
Faultless to stand before the throne

Faultless to stand before the throne
Faultless to stand before the throne

[Incomprehensible]
He loves, He loves, He loves
Yeah, He loves
[Incomprehensible] Jesus
Yeah, Jesus

On Christ the solid rock I stand

All other ground is sinking sand
And all other ground is sinking sand
