We are what we're supposed to be  
Illusions of your fantasy  
All dots and lines that speak and say  
What we do is what you wish to do

We are the color symphony  
We do the things you want to see  
Frame by frame, to the extreme

Our friends are so unreasonable  
They do the unpredictable  
All dots and lines that speak and say  
What we do is what you wish to do

It's all an orchestra of strings  
Doing unbelievable things  
Frame by frame, to the extreme  
One by one we're making it fun

We are the cartoon heroes, oh  
We are the ones who are gonna last forever  
We came out of a crazy mind, oh  
And walked out on a piece of paper and...

Here comes Spiderman, arachnophobic  
Welcome to the toon town party  
Here comes Superman, from never neverland  
Welcome to the toon town party  
There's still more to come  
And everyone will be  
Welcomed at the toon (toon) town (town) party
