"Soul Crusher"

Surviving shadows from the past
Arising slowly from the waste
Impotents witnessing the kill
Tireless extermination

Despiser stalks upon all life
Using man, innocent tool
Ignorance is suicide
Ignorance is suicide

Soul crusher of humanity
Leaving only dust behind

Malignant souls soaking in blood
Seeds of a forgotten lie
Merciless scavengers of death
Shedding darkness upon earth

Playing their man-wasting game
Without remorse or any shame
Ignorance is suicide
Ignorance is suicide

Soul crusher of humanity
Leaving only dust behind

Eternal whispers, lethal call
Unspoken truth of our own fate
Brutal powers of destruction
Equal the powers of creation

And as we near the very end
The balance shall speak for itself
Ignorance is suicide
Ignorance is suicide

Soul crusher of humanity
Leaving only dust behind

Soul crusher of humanity
Leaving only dust behiiiiiiiiind!

Dust!
