I'll tell me ma when I get home  
The boys won't leave the girls alone  
They pulled my hair they stole my comb  
But that's all right till I get home  
She is handsome she is pretty  
She is the belle of belfast city  
She is courtin' one two three  
Please won't you tell me who is she?

Albert mooney says he loves her  
All the boys are fighting for her  
They rap at the door they ring at the bell  
Saying "oh me true love, are you well?"  
Out she comes as white as snow  
Rings on her fingers and bells on her toes  
Jenny murray says she'll die  
If she doesn't get the fellow with the rovin' eye

I'll tell me ma when I get home  
The boys won't leave the girls alone  
They pulled my hair they stole my comb  
But that's all right till I get home

She is handsome she is pretty  
She is the belle of belfast city  
She is courtin' one two three  
Please won't you tell me who is she?

Let the wind and the rain and the hail blow high  
The snow come tumbling from the sky  
She's as nice as apple pie  
She'll get her own love by and by  
When she gets a lad all of her own  
She won't tell her ma when she gets home  
Let them all say as they will  
It's albert mooney loves her still

I'll tell me ma when I get home  
The boys won't leave the girls alone  
They pulled my hair they stole my comb  
But that's all right till I get home  
She is handsome she is pretty

She is the belle of belfast city  
She is courtin' one two three  
Please won't you tell me who is she?
