The violets are scenting the woods, Maggie
Displaying their charms to the bees
When I first said I loved only you, Maggie
And you said you loved only me.

The chestnut bloom gleams thru the glade, Maggie
A robin sang loud from a tree
When I first said I loved only you, Maggie
And you said you loved only me.

The golden row daffodils shine, Maggie
And danced in the breeze on the lee
When I first said I loved only you, Maggie

And you said you loved only me.

The birds in the trees sang a song, Maggie
Of happier transports to be
When I first said I loved only you, Maggie
And you said you loved only me.

Our hopes they have never come true, Maggie
Our dreams, they were never to be
Since I first said I loved only you, Maggie
And you said you loved only me.
