Oh, have you ever met that funny reefer man?
Oh, have you ever met that funny reefer man?
If he says he'll swam to China
And he'll sell you South Carolina
Then you know you're talking to that reefer man.
Have you ever met that funny reefer man?
Have you ever met that funny reefer man?
If he says he walks the ocean
Every time he takes the notion
Then you know you're talking to that reefer man.

Have you ever met a funny reefer man?
Have you ever met a funny reefer man?
If he takes a sudden mania
Wants to give you Pennsylvania
Then you know you're talking to that reefer man.
