Lost in a life of luxury  
Livin' out all your fantasies  
I've been down since you went away  
It wasn't love, but it felt okay

My head is numb, I've been up all night  
I stood there seein' the mornin' light  
Can't explain what I feel inside  
I wanna run and I wanna hide

My shattered hopes on the telephone line  
I hope you're picking it up this time  
It's only dreams that I hold onto  
Dreams are all that I had with you

Chorus:  
Memories and dreams of love  
Days I had with you  
I never thought it'd be so tough  
To feel the way I do

Over you

Livin' high and without a care  
You and I we were almost there  
Can't explain what it meant to me  
Every night was a fantasy

I've been down since you went away

It wasn't love, but it felt okay  
Lookin' out in the mornin' light  
Was it only a dream that night

(Chorus) x2

Lost in a life of luxury  
Livin' out all your fantasies  
I've been down since you went away  
It wasn't love, but it felt okay

My head is numb, I've been up all night

I stood there seein' the mornin' light  
Can't explain what I feel inside  
I wanna run and I wanna hide

My shattered hopes on the telephone line  
I hope you're picking it up this time  
It's only dreams that I hold onto  
Dreams are all that I had with you

Dreams are all that I had with you  
Dreams are all that I had with you  
Dreams are all that I had with you
