Lead: Ooh yeah yeah! put a clap in your hands, put a dance in your feet, put a praise on your lips. Ahh ooo! celebrate the victory. Let all the people praise him, his kingdom reign forever. Rejoice with a shout of triumph, with him we'll always win.

Chorus: Triumph! Overcome! The battle's already won! You're a conqueror! He's defeated with authority we take it by force! Rejoice! We'll celebrate! Overflow is on the way! You're a conqueror! He's defeated! We thank him for the victory!

Lead adlibs: C'mon! C'mon! Rejoice with a shout of triumph! Ahh! ooo!

Lead: Tell the world of his greatness. His word will never fail. Testify of his goodness! His promises prevail. The spirit of abundance is in the atmosphere. Reach out and receive your blessings for he's Lord over everything.

Chorus: Triumph! Overcome! The battle's already won! You're a conqueror! He's defeated with authority we take it by force! Rejoice! We'll celebrate! Overflow is on the way! You're a conqueror! He's defeated! We thank him for the victory!

Vamp: Done! (8x) Already done, done, done, done! Already done, done, done, done.
Done! (8x) Already done, done, done, done. Already done, done, done!
Already, it's already, already, it's already done!
Already, it's already, already, it's already!
Done! (8x) Already done, done, done, done. Already done, done, done!
Already, it's already, already, it's already done.
Already, it's already, already, it's already done.
Already, it's already, already, it's already done.
