Can you feel my heart breaking
Deep inside my chest
Can you feel my hand shaking
While I'm trying to hold you back
Every girl that I try to hold
Says I'm squeezing her way too tight
Every girl that I try to warn
Doesn't believe a word that I say
But every promise that they make
I know that they will break
My heart can't take this anymore

And I swear
If you be the love of my life girl
I will be the boy of your dreams
And it will be perfect tonight

Do you ever wonder what it would be like
To let me hold you one more time
I know that you are scared of me
But girl I won't hurt you again no no no no

If you be the love of my life girl
I will be the boy of your dreams
And it will be perfect tonight
And you know that I will not be
The one to break you down
Let's make this forever tonight

I'm just looking for
My kind of perfect
And girl I'm looking in you
Just let our hearts float away
I shut my eyes with your embrace
And I love the way you taste
Lord please make this last

And I swear
If you be the love of my life girl
I will be the boy of your dreams
And it will be perfect tonight
And you know that I will not be

The one to break you down
Let's make this forever tonight
