I'm in the way  
No matter what you say  
I don't wanna be  
The only reason you stay

It can't be me  
That keeps you  
From your dreams  
And it hurts me so much

But I'll give you up  
I'll fall on my sword  
I love you enough  
To fall on my sword  
And let you go

You'd never leave  
So now it's up to me  
I'll break your heart  
Even if it tears me apart

Someday you will see  
Why I set you free  
And you'll come back to me

But I'll give you up  
I'll fall on my sword  
I love you enough  
To fall on my sword  
And I'll let you go  
Just go, just go

And I'll give you up  
I'll fall on my sword  
I love you enough  
To fall on my sword

Oh, you know that I love you enough  
To fall on my sword  
I love you enough  
To fall on my sword  
And I'll let you go

Even if it tears me  
Even if it tears me apart
