You gotta go with what you know, absolutely right
Well, I can tell you I feel lucky tonight
I gotta feelin' in my heart, two more for the fight
Hey, I can tell you I feel lucky tonight
Oh, I feel lucky
I feel lucky tonight
Well maybe just lucky enough
Til you win your love for me
I feel lucky
I feel good, yeh
Alright, huh, huh

You better get it while you can
Got to treat it nice
Well, let the good times roll, I feel lucky tonight
Midus in my touch, moonlight up my sleeve
Hey I'm your wild card baby, take a chance with me

Oh, I feel lucky
I feel lucky tonight
Well maybe just lucky enough
Til you win your love for me
I feel lucky
I feel good, yeh
Alright, huh, huh
I feel lucky , whoa

Miami, new york, chicago, st. louis, los angeles,
Austin, new orleans, detroit, cleaveland

----- now

Take a look around
It's the only game in town, I feel lucky tonight
I ain't waitin' on love, no
I don't waste no time
Hey, I'm ----- black cat across my path

Oh, I feel lucky
I feel lucky tonight
Well maybe just lucky enough
Til you win your love for me

I feel lucky
I feel lucky tonight
Well maybe just lucky enough
Til you win your love for me
I feel lucky , I feel good - alright
