They say the hand is quicker than the eye

And two wrongs dont make a right

I feel lightning when you walk by

You got the power to take me higher, yeh

Hear me when I say

Rise

See a better day

Come on

They say the power of love is to blame

Time stops when I speak your name

Now and forever you are the one

Love-light shining on and on and on

Rise

Hear me when I say

Come on, yeh

Rise

See a better day

Come on, yeh, yeh

They say the power of love is like the sun

Shining down on everyone

Hey, dont be frightened by what you feel

You got to know that the power of love is real

Hear me when I say

Rise

See a better day

Come on

Can you feel the power of love

From the album "gravitys rainbow"
