Running throughout the neighborhood  
Without my pants on 'cause I'm misunderstood  
My birthday party's at my house tonight  
We're gonna eat pizza and have a good time

Are you gonna come?  
Are you gonna come?  
Because I did something

I took my pants off and left them on the front porch  
Because there's a party in the house tonight  
You took them away and put them on the front door  
Because we're just gonna have a really good time

I took my pants off  
I took my pants off  
There's a party at my house tonight  
Everybody's gonna come and have a good time

Well, the birthday party's good as done  
And everybody's just as good as gone  
I'm almost buried by all these gifts  
If only someone would get rid of this sist

Are you gonna help me?  
Are you gonna help me?  
Because you did something

You took my pants away from the front door  
Because I was runnin' 'round the neighborhood  
You took them to a shop and sold them for 8 more  
And then used them as plates so then you could eat  
wood

I took my pants off  
I took my pants off  
The party's long since done and everybody is long  
gone  
We had a good time even though you weren't fun!

And now the party's done.
