Wooo!
Come on
Yeah

Coming up strong with some hardcore power [2x]
Let the bass be louder

Let the bass be louder

Coming up strong with some hardcore power [3x]
Crank it up, let the bass be louder
[2x]

Let the bass be louder

Show your stuff, get real rough
I'm in control, so you won't get enough
[2x]

So you wont get enough [5x]

I'm in control

Let the bass be louder

Show your stuff, get real rough
I'm in control, so you won't get enough
[2x]

So you wont get enough [5x]

Let the bass be louder [3x]

Louder
