I never had to say goodbye  
You must have known I wouldn't stay  
While you were talking about our life  
You killed the beauty of today

Forever and ever  
Life is now or never  
Forever never comes around  
Forever and ever  
Life is now or never  
Forever's gonna slow you down

[X2]  
You'll never see me again  
So now woh's gonna cry for you  
You'll never see me again  
No matter what you do

I never had to say goodbye  
You must have known I wouldn't stay  
While you were talking about our life  
You killed the beauty of today

[X2]  
You'll never see me again  
So now who's gonna cry for you  
You'll never see me again  
No matter what you do

Forever and ever  
Life is now or never  
Forever never comes around  
Forever and ever  
Life is now or never  
Forever's gonna slow you down

You'll never see me again  
You'll never see me again  
You'll never see me again

[X2]  
You'll never see me again

So now woh's gonna cry for you  
You'll never see me again  
No matter what you do
