Now you're gone  
I realised my love for you was strong  
And I miss you here now you're gone  
I keep waiting here by the phone with your pictures  
hanging on the wall

Now you're gone  
I realised my love for you was strong  
And I miss you here now you're gone  
I keep waiting here by the phone with your pictures  
hanging on the wall

Is this the way it's meant to be?  
Always dreaming that you're missing me  
I'm waiting here at home  
I'll be crazy now you're gone

There's an empty place in my heart  
Without ya lovin it will break apart  
It won't heal, never fades away  
I'll be thinkin' 'bout you everyday

Ready for take-off!

Are You Ready?

Now you're gone  
I realised my love for you was strong  
And I miss you here now you're gone  
I keep waiting here by the phone with your pictures  
hanging on the wall

Is this the way it's meant to be?  
Always dreaming that you're missing me  
I'm waiting here at home  
I'll be crazy now you're gone

Now you're gone  
I realised my love for you was strong  
And I miss you here now you're gone  
I keep waiting here by the phone with your pictures  
hanging on the wall

Is this the way it's meant to be?  
Always dreaming that you're missing me  
I'm waiting here at home  
I'll be crazy now you're gone

There's an empty place in my heart  
It won't alarm me it will break apart  
It won't heal, never fades away  
I'll be thinkin' 'bout you everyday
