Ice ya wrist, baby, rock ya ear  
Put ya mink on, get ya drink on

Anotha year to rep my hood  
It's goin' down, go buy a whip  
Take a month man, take a trip

Wit two white hoes, I'm 'bout to chill  
So it was real, later boss  
Don't hit tha cell phone, it's turned off, it's goin' down
