[Pastor Troy]

Hit em, hit em, hit em, pray lord of mercy,
Help em God, Pastor Troy baby and I'm comin hard,
Had to sit back and see the big picture, prolly in the
back seat bustin me a swisher,
So high I getcha, huffin and puffin, cussin over
percussions, out the back field, two thousand yards
rushin,
I'm struttin, I'm cuttin, I'm spinnin, I'm jukin, got your
girlfriend on the sideline lookin,
Wassup baby, it's all a game, not the only one there is
who maintains,
They all know my name I'm the heavyweight champ, I
rock the belt and got some killas in my camp,
This (???) has got me up, got me ready to shut the club
down,
Take it all the way for a mothafuckin touchdown, less
clown,
Dancin in the endzone, I'm lookin good I'm lookin
strong,
Pastor Troy, bout to get you buck tell them ho's its on,

Chorus

All over Zone 3, an Zone 4, every set that you claim, I
gotta ho, ya know,
She ready! Prolly got more balls than you,
She ready! Hey there boo, what they do?
The Pastor, after me there be three,
Two that ain't there and one you can't see,
