Off the chain

High hills pumpin gucci bag kissing my ear and callin

And we ballin out yeah another round
Baby girl I'm so impressed
Now what the hell is under that dress
She's a brick house damn
Dirty south
Licked her lips
Gave me a smile if I was a chick I'd have ur child
She is too fine
She's a dime
All I smell is chanell allure
Baby girl skin is so smooth it's so pure
What's up baby lets go for a stroll
Yeah that's me in a 2004
All white boot with a pocket full of loot
Baby girl kick off them boots and lets ride

~! *hook*! ~

What's up boo
(Pimpin)
We at home
You know what time it is
You know what's on
What's ur zodiac what's ur sign
Tell me what u like to do
With ur spare time
What's up baby
You got a man?
U can tell me
I'll understand any children?
You got a girl
She ur heart
She your world
Where u been all my life time
Doin your thing
I like that ma
You off the chain
Where your hot spot
What cha like
Do you think that you can handle this all night
Ocause you off the chain yeah damn fool where you
been all my life time wlet me fuck you till the sunshine
