Yeah yo
This for them boys that been down
With me for tha past five years
Five years in tha shit
Before this shit was cool

I'm representin' I'm representin' bruh them boys ain't
seein' me
Know I got some cheese spendin' G's so they envy me
I'm representin' this nothin'
But this thug shit rep mine well for ATL
I'm representin' I'm representin' my shit ho
I'm representin' I representin' my shit ho
I'm representin' I'm representin' my shit ho
I'm representin' a bitch you already know

A word to tha wise before you look me in my eyes
Yo ho told me that you raps a buncha lies
You ride through tha hood, lookin' at tha signs
But you was in tha house most of tha time
For sayin' you grind and sayin' that you drivin' Chevy's
No AC playboy you lookin' sweaty you know me
You done heard vica versa know I post up in some shit
just to hurt you
A hundred thousand dollar truck I paid it out cash
Before I left tha lot I put them feet on her ass
Three TV's windows tinted this is how I representin'

I'm representin' I'm representin' bruh them boys ain't
seein' me
Know I got some cheese spendin' G's so they envy me
I'm representin' this nothin'
But this thug shit rep mine well for ATL
I'm representin' I'm representin' my shit ho
I'm representin' I representin' my shit ho
I'm representin' I'm representin' my shit ho
I'm representin' a bitch you already know

A word to tha wise before you confuse the people
I been doin' this before your ass was legal
When you was at MBK my brothers keeper
I was on MLK wit street sweepers

I know you say ain't no way he can be seen
This niggas not a man this niggas a machine
The owner of the Bounce I knew I'd make a profit
A couple hundred grand I had that shit in my pocket
I know that I'm the man I know that I am winnin'
And R-E-P-R-E-S entin'

I'm representin' I'm representin' bruh them boys ain't
seein' me
Know I got some cheese spendin' G's so they envy me
I'm representin' this nothin'
But this thug shit rep mine well for ATL
I'm representin' I'm representin' my shit ho
I'm representin' I representin' my shit ho
I'm representin' I'm representin' my shit ho
I'm representin' a bitch you already know, yeah

Representin' representin' representin'
Representin' representin' representin'
Representin' representin' representin'
Representin' representin' representin'
Representin' representin' representin'
