When I left from work  
I called u on da phone,  
Ur tellin me u don't wanna talk  
Yes I have problems wit my life  
I have trouble when u don't come home  
But, I want u 2 come on home  
And I don't need u 2 be alone  
'Cause, I know ur playin' around.  
And who in da hell else is gonna hol me back

#### [Bridge]

I have 2 be on my mind  
2 Believe it's gonna work this time  
There's some things I don't like  
A part of dat needs 2 leave and,

#### [Chorus]

'Cause It hurts me (hmm)  
2 know how much I really like u,  
So bad I wanted u ooh, ooh,  
Tah yuuu hoo ooh

#### [Verse 2]

Should I grab her shoes?  
Or, call her boys up,  
Start some (Blank)  
And then hang up  
Ohh, should I be a man  
Ohh, I really want 2 have her children  
I do need 2 get it together  
I don't want 2 be alone

#### [Bridge]

#### [Chorus]

Should I owe her back  
For da way I been acting

Or, should I fix my attitude  
'Cause of me acting rude  
I knew it was unnecessary  
Dat I wasn't sharing  
Cause I couldn't get my way  
Ready for u 2 forgive me.

[Bridge]

[Chorus 2x]
