And all I wanted 2 inform u dat,
As u have somebody good,
U hang on 2 em'

Verse 1

Must be cool
Having someone who
Comprehends da life u live
Must be cool
Having someone who's slow 2 lose
And quick 2 win
Must be cool
Having some who sneaks around
When da foul times get big.
Someone who's smile is bright and luv 2 make
Da project's feeling like a dollhouse,
Must be cool
Having someone who likes u,
Avoids ur fall,
Must be cool
Having someone who
Talks da talk would
Also walks da walk
Must be cool,
Having someone who comprehends,
Dat a gang has feelins' 2
Someone who like u for shor
And u should remember 2 never release em'

[Chorus]

'Cause, even when ur heart still lives and go,
(Even wheeenn)
She'll be by ur side still hangin on
(Haaanngin on)
'Cause even when da benz has stopped revvin'
'Cause all dem bike-riding divas still disappear,
She still be here.

[Verse 2]

Having someone u can

Come home 2, from a long-day work
Must be cool
Having someone u don't
Have 2 show, they know
Exacly how it hurts,
Must be cool
Having someone who trusts u,
Avoid what they've heard.
Someone who's mighty as a trojan,
But it still has a chance 2 move by
Must be cool,
Having someone u don't have 2
Tell, u don't wanna be alone,
Must be cool,
Having someone u can be old with
Until god Asks u home,
Must be cool.
Having Some one who comprehends
Dat a gang has feeelins through
Someone who likes u for shor, and
U never release em'

[Chorus]
(Repeat 3x w/ fade)

[Outro]
Well, I guess da next part
Of da story of when I first met u
I wanted 2 carry u home with me
And tell me family da way I feel about u.
