[Intro]

U believe u know me?

[Chorus]

On this night, I hear loudly
Everyone was revving up
Bitter place, In a hurten dream
And we leave it all beside
On this night, It's so real 2 me
Everyone was revving up,
Another chance, 2 chase a dream
Another chance 2 feel, a chance to feel
AAALLLLLLIIIIIIIIIIIIVVVVVVVVVEEEE!

[Verse 1]

I'll never long 4 what might have had. Every memory I had dat was sad, Every movie we saw is bad Regret won't waste my time again I won't fight back 2 remain

On this night, I hear loudly Everyone was reving up Shocking Place to a hurten dream And we leave it, Leave it all beside

[Verse 2]

Haven't I told u I'd luved u Nothing I can do 2 stop luvin u I could not get enough of u And nothing could stop my way
